Dear Sir,

Before leaving Yoore I should like to draw your attention to the state of the travellers Bungalow here, ever since 1905-10 years ago- or the oldest of the two Locks was opened, travellers have been complaining of the inadequacy of the equipment of the Bungalow but apparently nothing has ever been done. It is without exception the worst equipped Bungalow across all the 1st. & 2nd. Class travellers I have come in in Mysore or duty tours all over the State. Elsewhere in apparently, indeed the majority of the 2nd. Class Bungalows are better equipped and that the Bungalow at the Capital of the State should be in this condition is notorious. There is not a single serviceable bath/tub in the house, no crockery of any sort, no glasses, no cutlery, no knives, no suitable cooking utensils, no looking glass, and no easy chairs. Neither is there any table linen, plates etc, no one is supposed to be able to get meals in the Bungalow, one are usually provided with at least a table cloth. The only conclusion one can draw is that the complaints which have been made have never been brought to your notice by the Manager, or whoever is responsible. It is certainly disgraceful to charge 1st. class or even 2nd. class rates for a bungalow as this is.

Yours faithfully
